Station Information Booklet	43

Introduction

This booklet contains a comprehensive set of information about our trains and stations.

It is correct at the time of publication, as noted on the cover. Every effort has been made to ensure that all the information contained within is accurate to the best of our knowledge, but errors and omissions are excepted.

This document will be updated on a monthly, on an as-required basis. Any amends or updates should reference 'GWR Facilities Guide' and be sent to **GWR.Feedback@GWR.com**

Class 769 (Flex TMU)	31
Class 255 (Castle Class DMU)	33
Class 230 (Battery EMU)	35
Night Riviera Sleeper	37
Mobility and Inclusion	41

General Notes

The routes shown in these tables are for indicative purposes only. In order to retain a necessary level of flexibility with our fleet it may sometimes be necessary to change the type of train on a route with little or no notice.

Photos are for illustrative purposes only, and in some cases the units shown may no longer be part of the GWR Fleet.

Train layout diagrams are for illustrative purposes, and are not to scale. Variations may also exist between different units in the GWR fleet.

Priority seating, when available, is located at the carriage entrance near the exit doors and toilets.

Scooters require a mobility scooter permit to travel on GWR trains. Mobility aids can be carried on board but will need to be able to be stored in the luggage areas. More information can be found on
