

Rail bus links†

Various bus services operate from our rail stations that link with towns and villages away from our rail network; a selection of these are shown below. For full timetable and fare enquiries, including Sunday services, please contact the relevant bus operator, call Traveline on **0871 200 22 33*** or visit **traveline.info**. Many other bus services also operate in our region in addition to those shown here. Please contact Traveline for full bus service information. Please note that bus operators may change their timetables during this timetable. Customers are advised to check timetables with the relevant operator before travelling.

For information on how to find the bus stop from the railway station, please see the **Onward Travel Information** poster which can be found at all Great Western Railway stations.

† Bus operators, routes and frequencies may change at short notice. Contact Traveline at **traveline.info** or telephone **0871 200 22 33*** (calls cost 12p per minute from landlines and most mobiles).
