

Gloucester – Sunday 7 March

Essential track maintenance work is being carried out on the line between Gloucester and Cheltenham Spa affecting train services via Gloucester station.

As a result, direct trains between London Paddington and Cheltenham Spa will not run on this date.

Instead, a shuttle train service will be operating between Swindon and Cheltenham Spa calling at Kemble, Stroud and Stonehouse.

Trains between Bristol Temple Meads and Cheltenham Spa or Worcester Foregate Street will also run but these services won't call at Gloucester.

Buses will replace trains between Cheltenham Spa and Gloucester.

Replacement buses will also run between Cheltenham Spa, Gloucester and Newport.

The map below shows the impact on our network as well as other planned engineering work taking place on this date.
