

## Rail improvement work in the Oxford area

Weekends of 10/11, 17/18, 24/25 September and 1/2 October 2022

Track renewal and infrastructure improvement work in the Oxford area will affect train services on a number of weekends this autumn.

Services on weekdays will not be affected.

### What you need to know:

- No trains will run between Didcot Parkway, Banbury and Hanborough. In addition, no trains will run between Oxford and Oxford Parkway.
- Buses will replace trains on affected routes (see details below)
- Journey times will be extended and buses will depart at different times to normal train times

### Replacement buses will run between:

Route	Frequency	Total journey time
Didcot Parkway – Oxford (non-stop)	Up to 3 journeys an hour	25-30 minutes
Didcot Parkway – Radley – Oxford	Hourly	45 minutes
Didcot Parkway – Appleford – Culham – Radley – Oxford	Hourly (no Sunday services)	50 minutes
Didcot Parkway – Hanborough (non-stop)	Hourly	40 minutes
Oxford – Hanborough (non-stop)	Hourly	30 minutes
Oxford – Tackley – Heyford – Kings Sutton - Banbury	Every 2 hours (Saturdays) 3 journeys a day (Sundays)	1 hour 10 mins

## Rail improvement work in the Oxford area

### Replacement bus stop locations:

Station	Bus stop location
Appleford	Unmarked bus stops in the village on B4016, near the village notice board and letter box
Banbury	Front of the station
Culham	By the steps at the rear of the Railway Inn on the old road
Didcot Parkway	Front of the station
Hanborough	Bus stops on the main road
Heyford	Front of the station
Kings Sutton	Kings Sutton village square
Oxford	Becket Street car park
Oxford Parkway	Front of the station
Radley	Bus stops on Foxborough Road, near the Bowyer Arms
Tackley	Bus stops on Medcroft Road, by the turning for Nethercote Road

### Our travel advice:

- Check carefully before travelling - online journey planners may not be updated with the revised train/bus times. We expect everything to be updated approximately 6 weeks before your chosen travel date
- Please allow plenty of time to complete your journey. Journeys involving replacement buses will take longer than normal.
- If catching a replacement bus, check the bus stop location carefully – buses stop away from some stations.
