Citizens' Rail

This is an EU Interreg (international cooperation) project to develop local and regional railways. From station improvements, to more frequent services, to local information campaigns and involving the community, the project will get more people using and being part of their local train services.

The Riviera Line (Exeter to Paignton) is part of the project, thanks to EU partners in France, Germany and the Netherlands, and local partners including Devon County Council, Torbay Council, Great Western Railway, Plymouth University and the Devon & Cornwall Rail Partnership. Find out more and take part in the Riviera Line project at citizensrail.org
